Polo Match By Youngsters May Be Staged At Race Meet

Would Be Feature Event; Maui Horses Will Arrive on Sunday; Saportas in City

There may be a possibility that a polo match will be staged between the kids during the June race meet, and if the committee does decide to stage at least a four period match, the plan is certain to meet with the approval of many lovers of polo.

The youngsters who have been playing in the practice games to date have made a big hit, and they would be given an opportunity to show their wares before a large crowd. They have studied the game, and would be certain to make a hit, if this event is scheduled.

The Poloists
Clarence Cooke, Walter Macfarlane, Henry Afong, Harold Erdman, Buster Brown, Jack Walker, Fred Trotter and the youthful Peter Hannon should be given an opportunity to show what they can do before the public. This is a real opportunity to present the growth of polo in Hawaii to the general public who have heretofore not been interested in this game.

John Grace, Walter Macfarlane and others are interested in this plan, and if the members of the committee want a real attraction aside from racing they could not do better than stage a four period match on June 11. Saportas Here for Meet

W. F. Saportas, who was assistant secretary to George Cooke last year, is again on the job, and his presence will assure some real work on the part of the committee. Saportas has thrown his hat in the ring, and will be a welcome addition to those who are working to make the big June meet a success.

The Maui horses will arrive on Sunday, and inasmuch as the first day's meet is only one week away, racing gossip will be in the air from now on. Francis B. Copra, Knight of the Glinn, Dick Tibbitts, Will Owen, Luau, Whistling Jenny and Kapitolani will be among the entries from Maui this year.

Workouts at the track for the next week will consist of light work, and the runners will be trained for the first day's meeting. Mary Jay stepped a mile in 1.44 in the last workout, and Oneonta and Seebolt were sent a mile and a quarter in 2.15.

Denver Looks Good
Denver, owned by S. S. Paxson, has been given some fast work at the track and in a recent workout went three heats in 2.23, 2.18 and 2.13. The last heat shows that this entry is ready for a good race. Billy Boy worked three heats in time around 2.23.

Satisfac, Mohawk Boy and Robert will come down from Schofield. The daughter of Rock Sand will perhaps enter the mile and six furlong event, while Mohawk Boy will enter the 1 1/2, 1 1/4 and hurdles. Robert will enter the hurdles and 1 1/4 miles.

Tickets will be placed on sale at E. O. Hall & Sons on Monday. Since the announcement that the Maui

Two Games Will Be Played at Moiliili: Asahis vs. Healanis; Filipinos vs. McKinley

Two games are listed on the program for Saturday afternoon at Moiliili Field, and prospects are bright for two good games as the Asahis will meet the Healanis and the Filipinos will clash with the McKinley team.

The Asahis will meet the Healanis in the first game, and inasmuch as Manager Harry Decker has strengthened his team the Asahis are expected to have a real battle. South or Bushnell, two speed ball artists are slated to work for the Healanis, while Mas sake will perhaps be sent on the mound for the Asahis with Nushid held in reserve.

Asahis Show Colors
Manager George Murakami of the Asahis showed his sportsmanlike spirit at the meeting of the Pacific League last evening when he asked that the game which was won by the Asahis be played over with the Healanis. The Asahis were awarded the game, and without doubt any protest would have gone in their favor, but Murakami decided that for the good of the game it should be played over.

This leaves the Asahi percentage at 500 and the Healanis at 333, tied with McKinley and the Healanis. Should the Healanis win on Saturday the would jump into third place behind the Braves and St. Louis. South is a good pitcher, and the Asahis are expecting a real battle. The Japanese fans of Honolulu have flocked to support this little team, and their showing to date has been a feature of the Pacific League.

Filipinos vs. McKinley
In the second game of the day the Filipinos will battle with McKinley. Lang Akana has been coaching the Filipino team, while Henry Chillingworth is looking after the interest of McKinley. These two well known players who are members of the same team will fight out their battle on the bench.

The Filipinos have lost both games to date by close scores, being defeated by the Braves and Asahis. They have played a great fielding game, but have failed to hit hard. Lang believes that the Filipinos will jump out of the cellar with a victory over McKinley tomorrow afternoon.

Bacio, the little left hander, who led the Braves safe for seven innings, may pitch, or King may go on the mound. Lario will perhaps be the choice as backstop, and this player, who is new to the league, is certain to make good on past performances.

Duke at First
Monsarrat, Maisichi or Girdler is expected to hurl for the McKinley team, and Duke Kahanamoku will be seen once more at first base. He made a good showing the first time out on Decoration Day, and the members of the team believe that he will develop into a real star before the season is over.

On Sunday afternoon the All-Stars are going to make an attempt to demonstrate that it was all a dream, and will go after Fort Ruger in earnest. Johnny Williams may be the selection to stop this team, and Crumpler will be saved for the next game with the Wreckers. Henry Chillingworth is anxious to win this game, and Stewart also wants to creep out of the cellar at the expense of the Stars. So a good battle is expected.

Miss Lorena Carroll, daughter of Joseph D. Carroll, New York, who left a large estate, applied to the Surrogate's court to have her allowance increased from \$2675 a year to \$13,175. She is 16.

HEADQUARTERS TEAM WINS IN GAME AT POST

(Special Star-Bulletin Correspondence.)
SCHOFIELD BARRACKS, June 1.—Headquarters Company, the prime favorites in the 1st Field Artillery league has enjoyed some pretty rough sledding during the past few days.

What with a 12 to 0 defeat at the hands of the St. Louis Collegians on Sunday and A Battery trailing their colors on Memorial Day, the wigwags were beginning to lose all hopes of coping the trophy. Yesterday, however, they came into their own again by shutting out B Battery by four good aces. No one will deny that Charlie Brown has a splendid team, but there are many in the upper part of the big post who believe that C Battery, the champions of last year, have an excellent chance to win out at the end, while still others think that Sergeant Burnett's outfit will finish on top. Even D Battery has a fair show for the honors and the other outfits have no reason to be discouraged yet.

Many who enjoy these games from the bleachers and sidelines say that it is not very "ladylike" to criticize the umpires so much. The work of Sergeants Donohue, Miller and Burnett is as impartial as any fair-minded fan could desire. Boys, be real sports, and accept the decisions of the arbiters as final.

On Saturday there is to be a warm contest staged between A Battery and Sergeant Cumberland's giants. While the lowly Bees have sustained many losses this year, none of them have been by large margins, so that Captain McCleave's cohorts will have to work earnestly and continuously to come out on top.

A bad back makes a hard work harder. All day the dull throb and the sharp, darting pains make you miserable, and there's no rest at night.

ENTRIES CLOSE SATURDAY

Mother, may I go out to swim? Yes, said the mother, but if you desire to swim in the two nights' meet on the harbor, you will have to file your entry with John Soper at the Hawaiian News Company before 5 o'clock on Saturday.

This will also apply to the male section of the universe, and all swimmers are expected to have their entries in by that time. The meet will be held on the nights of June 9 and 11.

MILLS AND HIGH TO PLAY TODAY

Mills and McKinley will battle at Mills this afternoon in a game which will perhaps settle the second position in the interscholastic league, should the Saints go through the season without defeat.

A close game is looked for, although McKinley is expected to pitch Nushida. The Boy Wonder is a real pitcher, and McKinley should have the advantage in this department.

Whether or not Nushida will be able to stop Okino is a question, but if given good support ought to have an edge on Ahn Soon Nam.

Mills has a number of good players, and with Sunn Hung and Wah Han the lineup should cause the high school team some trouble. Both these players have been picked by Pacific League players as real stars, and Mills should have the best of it around the second sack.
